C-PILO AND THE ANNUAL AUCTION

Carolina Public Interest Law Organization (C-PILO) supports increased awareness of, access to, and participation in public interest law by fundraising and providing grants to Carolina Law students who work in low or non-paying public interest jobs during the summer. Grant recipients work in diverse areas including legal services, civil rights, environmental law, children's rights, appellate defense work, international human rights and prosecutorial work.

The annual auction is C-PILO's largest fundraiser and one of the law school's most popular events. It is a wonderful way to bring students, faculty, staff and alumni together to support the public interest community.

THANK YOU

None of this would be possible without the generosity and support of wonderful faculty, staff, alumni, students, friends and retailers who donated items to be auctioned off. C-PILO recognizes donors by providing them with star pins to be worn the day of the auction. If you see someone wearing a star on January 19, please take a moment to thank him or her.

DETAILS, DETAILS, DETAILS

This year's auction will be held at the Carolina Club at the George Watts Hill Alumni Center on campus on Thursday, January 19, beginning at 7 p.m. There will be light hors d'oeuvres and a cash bar. C-PILO volunteers will be collecting a \$3 suggested donation at the door.

The evening's program will include both a live and a silent auction. For the basketball fans, the UNC v. UVA game will be projected onto a large screen. Additionally, the Baron Tymas jazz trio will entertain bidders during the silent auction.

The Silent Auction will be open from 7 to 8:15 p.m. For those who like to get an early start, the Silent Auction items will be on display at the law school January 17-19 from noon-1 p.m. in Room 4085.

The Live Auction will begin around 8:30 p.m. There are several contributions in the Live Auction that involve a number of people (graduation party, Broun / Motomura party). For these items, C-PILO recommends people get together before the auction, pool resources and plan bidding strategy.

And now, on to the goods!
