Student Leader of the Month: Motion passes for Amily

IP Center Proposal: still in the works; can we merge it with another center or clinic perhaps?
Prof. Gerhardt gave an introduction to the proposal: why we need this center, how it will positively affect the community, misconceptions about IP law.

Coffee with faculty: April 2nd cosponsor a coffee with Boger

Survey results: 10 people filled it out
suggestions — people don't feel like they know enough of what we do or the results of what we do. We should do more surveys; more social events

ELP Budget Request: \$500; panel funded by GPSF . They did request money for CSO, but they didn't want to fund something that large.

-as a sidenote, Laura will talk to the new dean about setting aside money for cosponsoring events with student orgs.

-motion passes for \$380

Next Week's Meeting: Wednesday at noon

Elections: sort out who's running and tell others about the elections
