

Unofficial Minutes

- 1) **Unofficial opt-in listserv** for purposes of communicating lost cell phones, coat check situation, etc.
 - a) It's by year, so just for 2013 for example
 - b) Purpose—for convenience. Advertising, lost cell phones,
 - c) Questions: why do this, since all students already have listservs from John K, the class president, etc.
 - i) Because it's more informal and it's "opt-in" so people will be more invested in the information that's being sent out.
 - d) It's already live actually, but so far only Dac is subscribed
- 2) **Bulls advertising and ticketing**
 - a) New policy—cannot reserve spots on the bus until they've paid. But can reserve a ticket.
 - b) Bus
 - i) Carolina Livery—will probably only need one bus probably, which holds 35 people.
 - (1) 65 people = \$1150 with \$200 deposit
 - (2) Also we'll have use of law school van, holds 12 people
 - c) Idea for next year, or maybe this year:
 - i) Set up an online pay site for selling bulls tickets, so we can sell by credit card
 - ii) Also—set up a paypal account for these events possibly
 - (1) Barrister's Ball
 - (2) Sell t-shirts, padfolios?
 - (3) Jennings—not sure about the logistics with SAFO. Might be possible, but might be a huge hassle.
 - d) School will be able to keep unsold tickets to be used anytime this season.
 - e) Selling tickets:
 - i) People can sign up for tickets without pay, but their spot is only saved until 1pm Tuesday, April 17 when Wool E. Bull distributes tickets.
- 3) **GSPF has money for us**, \$1,845.40 to be used by June 30th.
 - a) If a little is left over, then that wouldn't be a problem.
 - b) Also need a rough description of use.
 - c) Idea: also, SBA banner.
 - d) Use it for the bus for the Bulls event
 - e) Idea: pay for groups printing, or pay for everyone's SAFO fees
- 4) **End of Year Party**
 - a) Write on the boards NOW—even if we don't have the details on where it will be
