

- i. UNC Tuition Increase Forum Updates
 - 1. Tuition proposal passed (by Board of Governors). Ridiculous increase in tuition. Next step, board of trustees. Guaranteed \$600 increase in law school tuition, on top of everything else. Could be more.
 - 2. What can SBA do? Maybe warn students to start saving money!
 - 3. Could we ask the Law School to reduce what they are specifically raising to offset this tuition increase? Would have to talk to Dean Boger probably.
 - 4. Should we host a forum next semester to talk about?
 - a. Yeah, sounds good. Maybe get DTH here. First or second week of school. Invite Dean Boger, Dean K, maybe officials from main campus administrators.
- ii. Holiday Party
 - 1. Idea: tacky holiday sweater party? Maybe trivia at Linda's? Just SBA. Proposed date: Nov. 29 (Tuesday).
