The following Standing Rules shall be enacted for the 2009-2010 school year:

**SBA Policy for Funding Student Organizations to Clean Refrigerators**

The Student Bar Association shall fund student organizations to clean the refrigerators in the Snack Shack. The refrigerators will be cleaned every other Friday.

Student organizations can sign up to clean the refrigerators and will receive $30 for each cleaning. SBA will post a sign up sheet on the SBA bulletin board outside the student organization suite. Organizations can sign up no more than twice each semester. SBA will provide cleaning supplies. Organizations will not receive funding for cleaning the refrigerators until the refrigerators are cleaned and the supplies are returned to SBA.

SBA will post signs in advance of each cleaning notifying students that the refrigerators are scheduled to be cleaned and that all items left in the refrigerators after a specified time will be thrown away.

These Standing Rules shall take effect immediately upon passage and shall remain in effect, unless amended or repealed, until the conclusion of the 2009-2010 school year. A new vote will be required to renew these Standing Rules at the conclusion of the school year.
