Section 6. Any student who is eligible to vote for a specific candidate may challenge that candidacy or other general conduct of an election by submitting a complaint in writing or via email to the Chairperson of the Elections Committee at any time during the election period but not later than three (3) days after elections results are posted. Reasonable notice of such forum shall be given to the candidates and the student body, but attendance of candidates or other students shall not be mandatory. In the event that a Primary Election will not be held, the forum shall be held sometime between the closing of nominations and the General Election on a date determined by the Board of Governors.

7.6. If a Special Election is determined to be necessary as outlined in Article VI, Section 4 of the Constitution of the Student Bar Association, the Elections Committee shall post notice of the Special Election. Such procedure for filing shall include, but is not limited to: (1) the form required of the written notice of candidacy, including a written statement by the prospective candidate certifying that he or she has met the minimum requirements of the office to which he or she seeks election, as set forth in Article IV, Section 2, and Article V of the Constitution of the Student Bar Association; (2) the place at which the written notice is to be submitted; and (3) the hours and dates during which such written notice of candidacy will be accepted.

The Chairperson of the Elections Committee shall immediately post on the door of the Student Bar Association office and one other prominent place in the Law School main building a list of those qualified candidates and the offices they seek. No names may be added to the list from any source, and this list will contain only names that shall appear on the ballot.

Notice of the upcoming election, particulars of the proceeding, and procedure for filing written notice of candidacy shall be posted three (3) weeks prior to the election.

Section 8. The Elections Committee shall distribute information to each candidate describing election and campaign procedure within forty-eight (48) hours after the closing of nominations.

Section 9. The ballots for the offices to be elected shall be prepared by the Elections Committee after 12 p.m. (noon) of the day preceding the election, so as to give any qualified candidate, whose name would otherwise appear on the ballot, the opportunity to withdraw in accordance with these By-Laws (Section 5 of this Article). There shall be provided on the ballots, for the Primary Election, General Election, and any Special Election, the names of those candidates whose names appear on the Elections Committee Chairperson's certified list, as set forth in subsection 7.10. Upon allocation, the Board of Governors has a continuing duty to ensure that all monies are spent in a way not inconsistent with applicable University guidelines or policies, resolutions or By-Laws approved by the Board of Governors. The Student Bar Association Treasurer may request, at any time, a general ledger for any organization in order to review expenditures. Expenditures by the Student Bar Association Board and Student Bar Association Committees are approved through a vote of the Board of Governors as defined in Article IV, Section II (b) of the Constitution of the Board of Governors. Class fund expenditures must be approved by a majority of the officers of that class subject to approval by the Student Bar Association Treasurer.

The Budget Meeting shall be held no later than the fifth week of each semester.

Section 3. Law School Student Organizations may apply for funding outside of the semester budget allocation process. The Board of Governors shall hear these "special" budget requests during the next general meeting of the Board of Governors. Law School Student Organizations applying for "emergency" funding must provide notice to the President of the Student Bar Association at least forty-eight (48) hours before the next meeting of the Board of Governors. The President shall have discretion for allowing an emergency request to be presented to the Board of Governors.

Section 4. Application for student fees shall be on forms provided by the President of the Student Bar Association, or the President's designee. It will be the responsibility of the Treasurer of the Student Bar Association to formulate and provide at the Budget Meeting a copy of each budget allocation application. In addition, the Treasurer shall provide a summary report for each requesting committee, organization, and class including, but not limited to: (1) requested allocation from previous fiscal year; (2) actual allocation from previous fiscal year; (3) actual expenditures from previous year; (4) the prior year's actual revenues and expenditures by item; and (5) the current year's request for funding by item and purpose. All budget applications must be kept by the Student Bar Association for at least three (3) years for this purpose. Storing them on an electronic storage device is acceptable. It will be at the discretion of the President and Treasurer of the Student Bar Association which SBA committee requires a budget allocation and for which committee a budget request is necessary.

Section 5. No organization shall receive student fees allocated by the SBA except in compliance with the Article XIII of these By-Laws. Organizations must have an account with the Law School Financial Office in order to be eligible to receive funding from the SBA. Organizations who have an account with a bank or financial institution other than the Law School Financial Office will be ineligible to receive funding from the SBA.

Section 6. In determining the budget allocation for each affiliated organization, class, and SBA committee, the Board of Governors shall consider University policies and SBA policies. The Board may also consider the following factors, including but not limited to: a) the number of students benefited by the organization and its activities, b) whether the organization efficiently managed its previous year's allocation, c) other sources of funding for the organization, d) the reasonableness of proposed expenses, e) the organization's attempts to independently raise funds to meet its expenditures, f) the people who directly benefit from the organization's proposed expenditures, g) the uniqueness of the organization and its contributions to the school and the community, h) the uniqueness of the event and its contributions to the school and the community, and i) the significance of proposed expenditures to the vitality of the organization.

Section 7. Student fees allocated by the SBA shall be used only for purposes approved by the Board of Governors. All venture capital expenditures must receive approval by the Student Bar Association Board of Governors. SBA allocated fees shall not be used for the following purposes: a) to cover national dues or affiliation expenses of affiliated organizations; b) to cover transportation, lodging, food, conference registration, or other costs associated with student travel; or c) to fund activities having the primary purpose of lobbying or electioneering for a particular political party, candidate, or referendum, or for spiritual or religious exercises of a particular religion.

Section 8. No SBA allocated fees shall be spent for an organization sponsored pro bono project unless that project has already been approved by the Director of Pro Bono Initiatives.

Section 9. The SBA will allocate no more than one hundred and twenty-five dollars (\$125.00) per organization per semester for student food expenditures. The SBA will allocate no more than twenty-five (\$25.00) dollars per speaker per event for speaker honorarium expenditures and no more than twenty-five dollars (\$25.00) per speaker per event for speaker food expenditures.

Section 10. Once allocated funds, all entities having a budget are subject to the spending policies approved by the Board of Governors. If an SBA committee, class or affiliated organization overspends its allocated budget, reimbursement will depend on a hearing and vote before the Board. An affirmative two-thirds (2/3) vote of those present, provided a quorum is present at the time of the vote, is required for approval of additional funds in this circumstance. Overspending is strongly discouraged and may be taken into account during the next year's budget allocation. Repeated violations may negatively affect the next year's allocation.

Section 11. As guardian of student fees, it is the policy of the Board of Governors to maintain sound financial controls. These controls shall include, but not be limited to, the Board of Governors requiring funded organizations to provide regular reconciliation of their account and regular review of the organization's books and financial records by the organization's treasurer. As a condition of obtaining student fees, organizations must comply with these policies.

Section 12. The Treasurer of the Student Bar Association shall make an accounting to the Board of Governors of the Student Bar Association every month at a regular specified meeting to be designated by the Board of Governors.

Section 13. Student Bar Association committees must submit proposals, informal or otherwise, for spending of funds to the Board of Governors before an allocation of funds. All spending proposals are subject to Board approval. All such proposals must be considered and voted on during a regular SBA Board meeting or a special meeting conforming to the requirements set forth in Article II, Section 3 of the Constitution of the Student Bar Association. The Secretary of the Student Bar Association must notify SBA Committees of the Board's decisions on spending proposals within four (4) days of the Board vote. Excepted from this Section are expenditures for photocopying.

Section 14. Any monetary receipts from SBA-sanctioned events must be re-deposited into the SBA account, whether the receipts exceeded the incurred costs or not, unless a simple majority (50%+1) of the Board votes that monies need not be re-deposited.

Section 15. The fiscal year for all SBA monies shall begin October 1 and end September 30. All monies unspent at the end of such period automatically revert into the SBA Operations Account.

Section 16. In the event an affiliated organization, class or SBA committee mishandles, misappropriates, or violates a University Code or SBA spending policy or By-Law, the SBA Board may exercise discretion to address such event. Its discretion includes, but is not limited to, the authority to immediately revoke the balance of the allocated budget.

Section 17. Article XIII By-Laws may be suspended on a case-by-case basis only under extraordinary circumstances pursuant to Article VIII, Section I of these By-Laws.

Section 18. If an affiliated organization receiving Student Bar Association monies earns monies for any event for which the Treasurer of the Student Bar Association or full Board has approved and expended funds, that entity must reimburse SBA in an amount equal to the monies raised; but in no case shall reimbursement exceed the amount expended from the relevant SBA account. This provision is necessary to (1) guard student fees; and (2) guarantee that students do not fund events "twice."

Section 19. When the Board of Governors, an SBA Committee, or class sponsors such an event, that entity must reimburse SBA from the total amount of receipts, whether or not the monies raised exceed expenditures; such monies shall be deposited in the applicable account and are subject to all applicable SBA By-Laws and spending policies and University guidelines.

Section 20. Bar Review has historically been a weekly free social event designed to bring students in all three classes together at the end of a long week. In preserving this tradition, there shall be no cover charge or donation requests for Bar Review other than any charge traditionally charged by the location hosting the event. If the SBA Social Committee is able to negotiate a percentage of these proceeds, they shall go back to the SBA and be used to support additional student events or programming. Student organizations, with the approval of at least two-thirds (2/3) vote of the Board of Governors, can petition for charging a cover charge for special events where additional entertainment, or other benefit not ordinarily available, will be provided (e.g., Jammin' for Justice). SBA special events, including Law Revue, Halloween, Barrister's Ball, and the End-of-Semester and End-of-Year parties are excluded from this policy.

Article XIII. SBA Affiliated Organizations

Section 1. To be a recognized affiliated organization of the Student Bar Association, the interested group must fill out a UNC-CH University Recognition application form, which may be obtained in the office of the Dean of Student Affairs, and submit the application to the SBA Board. The application must contain a statement of purpose and/or constitution, a description of the organization's objectives, a list of the organization's officers, and an approximate number of members.

Section 2. A copy of the application form shall be registered with the undergraduate Office of Student Affairs thereby to obtain official University recognition.

Section 3. Each academic year for which a Law School student organization desires continued SBA affiliation, the organization must submit a Transition Form to the SBA Board. Transition Forms will be distributed with the budget application packets in the fall semester.

Section 4. Only those organizations complying with the above procedures are eligible to receive an allocation of student fees at the Budget Meeting in the fall semester, as described in Article XIII.

Section 5. The President of each recognized affiliated student organization, or his or her designee, must attend every President's Council Meeting as part of maintaining recognition. Failure to attend one meeting shall result in an automatic temporary suspension of the student organization's funds allocated by SBA and room reservation privileges once the organization has been notified of its absence and temporary suspension. The student organization shall have its full privileges restored once the President has met with the Student Bar Association President, or his or her designee, and a representative of the Student Services office. If a student organization fails to attend more than one President's Council Meeting, the student organization's funds allocated by SBA will be automatically forfeited for

that semester and room reservation privileges will be suspended for the remainder of the semester, and reinstatement is subject to a meeting between the student organization's President and the Student Bar Association President and Assistant Dean of Student Services. No funds spent while on suspension shall be reimbursed.

Section 6. All registered affiliated student organizations are required to file an End-of-the-Year report and keep a binder in the Student Organizations Suite. The End-of-the-Year report is due by the first Friday in May. The binder must be updated at least twice a year, once by October 5, and the second time by January, 20. The binder must be updated, and include all material requested by the Board of Governors to be considered "on-time." Failure to abide by these rules will result in a temporary suspension of the student organization's funds allocated by SBA and room reservation privileges until the student organization's President has met with the Student Bar Association President, or his or her designee, and a representative of the Student Services office. No funds spent while on suspension shall be reimbursed.

Article XIV. First-Year Advisory Council

Section 1. It shall be the duty of the President of the First-Year Class to establish a "1L Advisory Council" made up of at least one representative of each small section. This duty shall remain in effect as long the current "college system" exists. At the time when the current system is changed, so shall this By-Law be amended and the "council" reconstructed in a manner consistent with fair and equal representation of any system of division set in place by the law school administration.

Section 2. It shall further be the duty of the 1L Advisory Council to meet regularly at the discretion of the President of the First-Year Class and address issues and concerns of the First-Year Class as they arise.

Article XV. Conflicts of Interest

Section 1. The individual members of the Board of Governors of the Student Bar Association shall make every reasonable effort to identify possible conflicts of interest and make those known, in writing, to the other members of the Board of Governors. Possible conflicts of interest include membership in a Law School student organization recognized by the Student Bar Association.

Section 2. The Treasurer of the SBA shall not serve as a treasurer of any other Law School student organization nor shall he or she be able to take part in any financial exchange with SBA.

Section 3. Members of the Board of Governors who are active members of any Law School student organization shall abstain from voting on any motion affecting that Law School student organization. The Secretary of the Student Bar Association shall record in the minutes any abstentions made in accordance with this rule. During the bi-annual Budget Allocation Meetings, such abstentions will be noted and recorded.

Article XVI. Deputy Treasurer

Section 1. The Deputy Treasurer shall not have voting power.

Section 2. Selection of the Deputy Treasurer shall be determined by a two-thirds (2/3) vote by the Board of Governors.

Section 3. The Board of Governors may choose to appoint a Deputy Treasurer at their discretion. The application process and selection of the Deputy Treasurer may take place after the conclusion of the 1L Class elections, but the application may be opened no later than the fifth week of the Fall semester. The application form for the Deputy Treasurer position shall be provided by the Treasurer of the Student Bar Association to all interested 2Ls. Candidates shall submit, with their application, a copy of their resume without GPA. It will be the responsibility of the Treasurer

of the Student Bar Association to formulate and provide to the Board a copy of each candidate's application and resume (with candidate's name redacted) prior to the selection meeting.

Article XVIII. Parliamentarian

Section 1. The Parliamentarian shall have the primary responsibility for knowledge of these By-Laws, the SBA Constitution, and Robert's Rules of Order. The Parliamentarian shall attend the weekly meetings of the Board of Governors, but shall not have voting powers. The parliamentarian shall review the text of the SBA By-Laws and Constitution and propose amendments to the Board of Governors. At the request of the SBA Board of Governors or any three officers serving on the Board of Governors, the parliamentarian shall draft and submit amendments to the Board of Governors within ten law school class days from the date of the request.

Article XIX. Bar Review Presents

Section 1. Bar Review Presents is a monthly, philanthropic event separate from weekly, free Bar Review. Secretary of SBA and SBA Social Committee will be in charge of planning at least two Bar Review Presents per semester. Bar Review Presents shall be an event that begins before 8:30pm, provides an activity for individuals attending to participate in, and will have an associated fee in order to raise funds for the selected charity. SBA Board of Governors will select the charity for the proceeds of each event by a simple majority (50% + 1) of the Board.
